THE MANY LOVES OF CORLISS ARCHER CHAPTER-IV

Just whan the fair hero thought that everything was going smothly,up jumped the old Bureaucratic devil--*Penalty said he,wait three more weeks*,so our fair headed hero waited three more weeks--*Double penalty. More papers*said the paper eating machine,so as off Friday that is where our hero stands..Waiting..waiting..It will take at least ten(10)days for the papers to arrive and then most likely an additional two weeks on top of that,so I am looking at an April 1st deadline...Who the hell knows what elsethey will come up with.
